### Terms and Conditions

Service By Medallion agrees to extend credit to customers that meet the threshold for granting credit. Credit applications may be reviewed on a regular basis to determine credit worthiness. In the event of low credit score or payment delays, credit level may be reduced. Service by Medallion reserves the right to set the credit limit, which maybe increased or decreased on a per customer basis, subject to the approval of the VP of Finance. All payment terms must be stated in the contract and must be strictly adhered to. If after the agreed terms are set and then not adhered to a 2% per month finance charge will be added to all past due balances, which the customer agrees to pay.

Prevailing Party Attorney's Fees: If any action or proceeding is commenced to construe the rights and duties of the parties hereunder, then the party prevailing in that action shall be entitled to recover reasonable attorneys' fees and costs. Jurisdiction and venue for enforcement of the agreement shall be in Santa Clara County, California.
